AIR PASSENGER DUTY EXEMPTION IN THE UNITED KINGDOM

Air Passenger Duty (APD) is charged as departure tax for airports in Great Britain, collected at the time of ticket issuance and reflects on the ticket as GB Tax.

The UK government has announced a change to the Air Passenger Duty "APD" following which Passengers up to and including 15 Years or below 16 Years of age (at the time of travel) will be exempted from this tax.

Amadeus has implemented a solution that will exempt APD at the time of pricing, when the Passenger's age is provided in the input.

Passenger's age can be entered using any of the following Passenger Type Codes (PTC) that accepts age in the input format.

BNN, CNN, DNN, ENN, FNN, GNN, INN, JNN, LNN, MNN, PNN, TNN, UNN, VNN, YNN.

Note: NN is the age of the Passenger.

Pricing Entry with PTC: **FXP/RB14**

In addition to the pricing entry, Amadeus recommends to enter PTC and Date of Birth with the Passenger Name as mentioned below:

Name Entry with PTC: **NM1MORGAN/DEXTER(B15/20AUG00)**

In alignment with IATA Rule, we recommend to advise Date of Birth in SSR DOCS entry, as shown in below example.

SR DOCS TG HK1-----20AUG00-F- -MORGAN-DEXTER
