

Amadeus Check My Trip Update

We wish to share update about upgrade to the itinerary view tool, checkmytrip.com that will increase the level of security measures for the travelers.

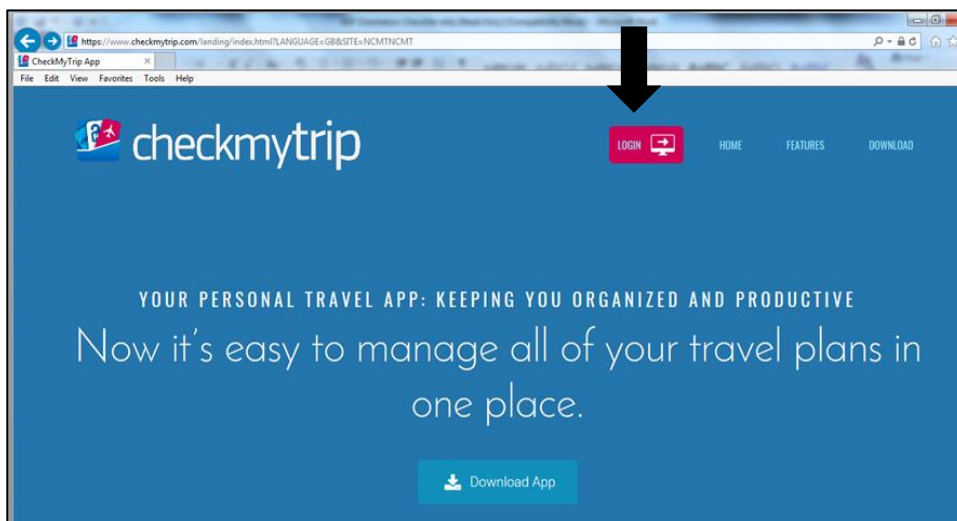

Overview:

Amadeus has deployed a security upgrade to CheckMyTrip.com that requires ALL its users to have a registered account. As part of the upgrade, "guest access" option for accessing and viewing itineraries online has been removed. There is no registration charge to travelers/agents to create an account on CheckmyTrip.

Registration requires the minimal information from the travelers like Full Name, e-mail address, and Phone number in order to maintain the privacy and protection.

Registration Procedure:

Step1: Access the checkmytrip.com, landing page will be displayed as shown in below pasted screen capture. Click on **Login** to access the Registration Link:
