Light Ticketing - Admin fee management for Easy Jet (U2)

We are pleased to share new implementation on Easy Jet for Admin fee handling at time of pricing and availability.

Overview:

The Easy Jet (U2) fare structure consists of a base fare (with taxes), an Admin fee and if applicable a payment (credit card) fee of 2% of total amount.
The Admin fee is the fixed fee charged per PNR, irrespective of the number of segments in your PNR.

New feature:

The Admin fees for Easy Jet will be **"included in the base fare"** and will no longer be added to the TSM-P for SVC CCCH. The TSM-p will now only contain only credit card charges in-case applicable.

Availability Response before Implementation: Admin fee is not included in fare
