List of Passenger Search by Office (LPO)

We wish to present to you List of Passenger Search (LPO), that allows you to search and create list of passenger Names and Amadeus Record Locators, by different search criteria for the PNRs that belong to your own office as well as those for which you have PNR retrieval rights by the way of Extended Security (ES) or Extended Office Security (EOS).

After the search is complete, results appear in the passenger list status table of the requesting office for a maximum of five days.

Listed below are the steps to display the list of passenger search:

Step 1: Request Passenger List for an Airline and Date of Departure Range
LPO/A(UK)D(01APR19-30APR19)

```
>LPO/A(UK)D(01APR19-30APR19)
ACCEPTED - CHECK REQUEST STATUS WITH LPS/PS
```

Step 2: Display Passenger List Status Table
LPS/PS

```
>LPS/PS
PASSENGER LIST STATUS TABLE - DELXXXXXX
1 LPO/A(UK)D(01APR19-30APR19) 20MAR COMPLETE 10 PNR
```

Step 3: Display the Search Results (on line number 1)
LPS/D1, followed by PNR retrieval from PNR List
LPS1

```
PASSENGER LIST - SEARCH BY OFFICE
DELXXXXXX/1111AA/AS 20MAR/1029Z REQUESTED:20MAR
LPO/A(UK)D(01APR19-30APR19)
OFFICE DELXXXXXX
001 SHARMA/KANCHAN MS JDHD7F
002 JAMES/MOHIT MR UQ67QR
003 PRASHAR/PINTOO MS VERSSW
004 RAVI RAI/RACHITHA MS UL79CH
005 SHARMA/ANKIT MR V42673
```

Note: Each office is allowed to have a maximum of 10 LPO searches in the table. If the table is full and you need to run another search, you can delete a search that has already been completed, manually using LPX/x, where X is line number of request on search table.
