**YQ/YR INTEGRATION IN PRICING LOGIC**

Amadeus is pleased to inform the enhancement in pricing entry, where the system will consider YQ/YR surcharge for the identification of the cheapest fare.

With this new implementation, both flows Pricing and best buy will be aligned and will take into account the YQ/YR to return the cheapest fare. The integration is valid for Offices IDs in India and for domestic journeys on the following carriers S2, 9W, AI.
