Amadeus E-Support Centre for Travel Agents

Amadeus E support Centre for travel agents is a multi-purpose platform that not only works as a Learning Centre but also acts as a knowledge repository to almost all the functionalities within the Amadeus GDS.

With little search skills, this tool can act as your personal 24x7 assistant for any of your Amadeus queries at the click of a mouse!

Key Benefits

- **Increase knowledge and improve knowledge retention through access to wide range of learning materials.**
- **New scenarios added & updated to the database regularly.**
- **An online self-paced, self-help search just like Google search at no extra cost**

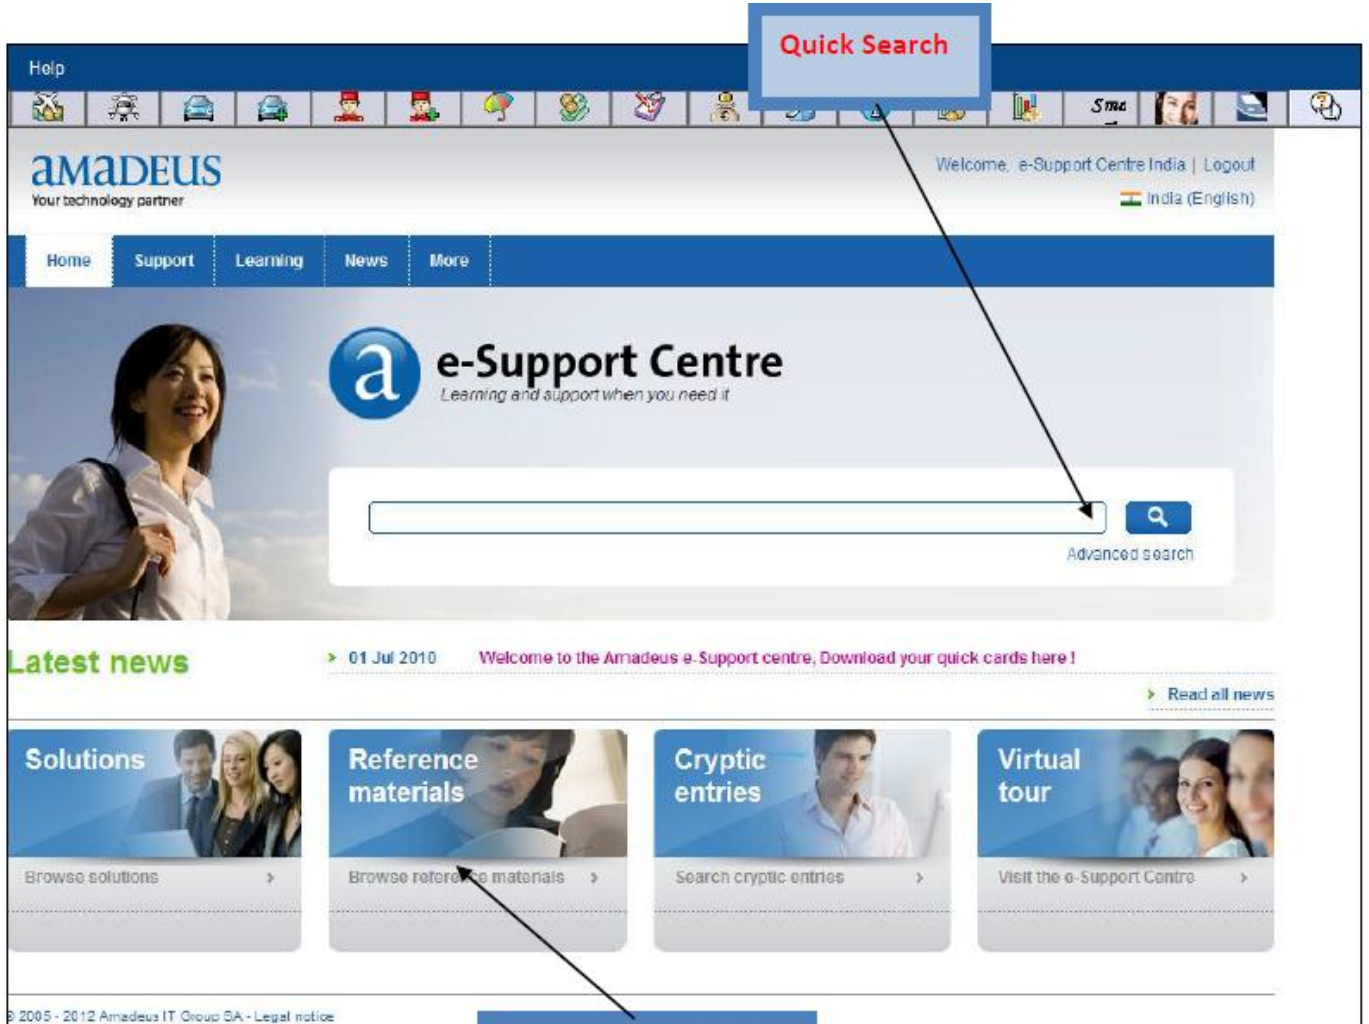

Key Features

- **Easy to access from Amadeus Selling Platform via Smart tab; No separate Log-ins credentials needed.**
- **Search the wide range of learning and support content using the quick single search function.**
