Step 1 :

» Step 1 is to Click Amadeus Hotels Plus Icon.

Step 2 :

You can check you have Amadeus Hotels Multi Source if both GDS & Non GDS options are visible.

Step 3 :

You need to click "register for non GDS" and fill Registration Panel for DOTW, Transhotel (TRH), HRS or more Hotel Aggregators as & when they become online.

Step 4 :

After registration, the Hotel Aggregator for ex:- DOTW will send you an email of your user id & password.

Step 5 :

Once you have the user id & password from DOTW or TRH or HRS, you can now use them on Amadeus to create Hotel Segments! (HTL).

"If you already have access from Transhotel (TRH), use the same user id & password on Amadeus Hotels Plus (Multi Source)!"
